MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: U.S. Army Garrison Vicenza Policy Memorandum 40-15, Child Discipline Policy

1. Parents must exercise appropriate judgment when disciplining his or her child. Child abuse and neglect will not be tolerated. Child abuse is defined as the physical or mental injury, sexual abuse or exploitation, or negligent treatment of a child. It does not include discipline administered by a parent or legal guardian to his or her child provided it is reasonable in manner and moderate in degree and otherwise does not constitute cruelty. Child abuse, to include verbal abuse, emotional abuse, and child neglect, may result in administrative, non-judicial, or judicial action against the individual.
2. Parents should also be aware that if they spank their child and it causes the child a more than inconsequential physical injury or fear reaction, then that act could meet clinical criteria for child physical abuse in accordance with Army medical guidelines.
3. Spanking is illegal in Italy based on Italian statutes as interpreted by the Italian Supreme Court. Although Army Regulations do not expressly prohibit this form of discipline, parents who choose to spank their child in violation of Italian law, could potentially face host nation legal ramifications.
4. Social Work Services, the Family Advocacy Program, or your Physician can answer parenting questions and offer information and training on effective parenting and discipline methods.
5. Commanders and supervisors will inform all Soldiers, Civilians, contractors, and Family Members of this policy.
6. The point of contact for this memorandum is the FAP Manager, DSN 634-7489.
